I authorize Jacqueline Patterson of Dog Gone Diva to do whatever is deemed necessary for the health and well being of my pet. I will pay for any and all expenses relating to my pet. I understand that if my pet needs medical attention, my emergency contact(s) will be called. I also understand that my emergency contact(s) will not be called for minor incidents that do not require immediate medical attention.

Boarding may be stressful for some dogs. A change in environment, water, and possibly different food, as well as a noisy dog next door can sometimes cause a stress-related colitis resulting in soft stools. There is no known prevention for this condition.

Kennel cough vaccine only protects against a few strains of the Bordetella virus. Your dog may catch another strain of the virus while kept with numbers of other (even vaccinated) dogs. Much like sending a child to kindergarten, your dog may bring home a “cold” when boarded.

I understand if my pets have fleas when arriving for boarding, my pet will be treated with Frontline to kill adult fleas. This helps keep my pet and the kennel flea-free. I understand I will be charged for the treatment.

I understand Jacqueline Patterson is going to act in the best interest of my pet. A daily inspection of my pet’s physical condition will be done. If my pet needs any care which will enable it to be more
